Purpose

To explain to our school community the Department's and Roslyn Primary School policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

Scope

This policy applies to:

1. All students at Roslyn Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

Definition

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, the term 'mobile phone' will refer to mobile phones and any other device that may connect to, or have a similar functionality to a mobile phone such as smart watches.

Policy

Roslyn Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Roslyn Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile device use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Roslyn Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure Storage

Mobile phones owned by students at Roslyn Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Roslyn Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Roslyn Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Roslyn Primary School students are required to store their phones at the school office each morning to be securely stored in our lockable facilities.

Enforcement

Students who use their personal mobile phones inappropriately at Roslyn Primary School may be issued with consequences consistent with our school's existing 'Student Wellbeing and Engagement Policy'.

At Roslyn Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
